

List 10: Consonant Clusters with L, N, or R

Dear Parents,

This week's spelling list continues to focus on clusters, however we will add clusters that come at the end of words. These ending clusters contain the letter l, n, or r. Each consonant still gets to keep its own sound, but are never at the beginning of a word. be sure to look for consonant clusters from last week!

Some examples of consonant clusters that contain l, n, or r are:

nd in remind

nk in blank

ld in mild

rd in forward

ng in among

lt in melt
