

List 9: Initial Clusters with S and T

Dear Parents,

This week's spelling list continues to focus on initial clusters. These clusters are made up of two consonants at the beginning of a word. Each consonant gets to keep its own sound. We are focusing on initial clusters that begin with s and t

Some examples of initial clusters beginning with s and t are:

sl in slippery

sm in smash

spl in split

st in strap

th in thread

tr in true

This week's spelling words are:

1. style

5. split

9. strap

13. thread

2. stretch

6. stool

10. smash

14. spill

3. steady

7. slippery

11. struck

15. true

4. spray

8. stroke

12. throat

16. spirit

This week's vocabulary words are:

1. strike- to hit sharply

2. thrill- a feeling of sudden excitement or emotion

Happy Spelling,

Mrs. Giboney
